Expert Lecture Report

An expert lecture was successfully organized by the Applied Mechanics/Civil Engineering Department of Lukhdhirji Engineering College, Morbi, with the objective of providing valuable career guidance to the students of Civil Engineering. The session was delivered by Mr. Amrit Menpara, President of LENCO Alumni Association, Morbi, and a proud alumnus of the institute. The lecture was conducted on 4th March 2026 from 12:30 PM to 2:00 PM at H-106, Applied Mechanics Department.

The topic of the lecture was "Career Counseling after Civil Engineering", which focused on various career opportunities available to civil engineering graduates. Mr. Menpara shared his fruitful professional experience and provided practical insights related to different domains of civil engineering, including field work, government services, private sector opportunities, and career growth pathways. A total of 39 students actively participated in the session. The lecture was highly interactive and informative, enabling students to gain a clear understanding of career prospects and industry expectations. Students also had the opportunity to interact with the expert and clarify their doubts regarding future career planning.
